L & Y Ranch News *****

Yvonne & Lester have 5 tobiano foals by their stallion, IMA SPECKOFPEPPER. He is a bay homozygous tobiano so all his foals are colored. 1- Sorrel filly out of a red roan AQHA mare with Sonny Go Lucky, Smashing Success and Page One breeding. 2- Palomino filly out of a palomino breeding stock mare with Ima Gold Lifter, Obvious Conclusion, Skipper W and Racketeers Dandy breeding. 3- Bay filly (probably homozygous) out of a bay mare with Gallant Ghost and Tru Tru (AQHA) breeding. 4- Bay filly out of Redi Investment (multiple futurity champion producer) by Whata Investment. 5- Black colt out of a bay roan AQHA mare with Justa Lil Quincy, Quincy Dan, Skipper W and Parker's Trouble breeding. Some of these foals will halter and all will ride. They are very pretty and correct. Priced to sell.

We are also proud to announce that our grandson, Russell Riddle with Ima Sassy Pepper by Ima Speckofpepper qualified 1st for his high school equestrian team for state in breakaway roping. They also qualified for flags and keyhole. They ended up 8th at state in breakaway roping. Both Russell and Sassy has never roped before January. Not to bad for such a green team. This mare is very versatile as she is used not only by Russell but the entire family rides and competes on her. Wayne and Matthew Riddle team pen and team sort on her. Katelyn, our 2 year old granddaughter is learning to ride on her, too.

Non horsey news: Lester is doing well again after his last hospital stay the end of April. He had pneumonia and spent 2 days in ICU and a total of 6 days at Sacred Heart hospital. Thank you everyone for all you well wishes. We do believe in the power of prayer, IT WORKS!!!

The Cheney Relay For Life Cancer walk was held Friday May 16- Saturday May 17 at Woodward Stadium on the Eastern Washington University campus. There was a terrific turnout this year with about 60 teams. The Owl Pharmacy "NITE OWLS" (my employer) were the top fund raisers, raising \$5,315.00. I was again the top fund raiser for not only the Nite Owls but the entire event with \$3,746.00 turned in. This event is a very touching one with the survivor's lap for anyone who has been diagnosed with Cancer. The luminary ceremony at 10 pm is truly a touching part of Relay. The luminary bags are placed around the inside of the track and lit, the stadium lights are turned out and every name is read. Not only are cancer survivor's honored in this ceremony but people that have lost their battle or are battling cancer are honored by these luminary bags. It is truly an awesome part of Relay.

Kruger Ranch News *****

We've had a busy breeding season in 2008 & are already looking forward to the 2009 foals! We are happy to announce that Bob Johnson is now training out of our barn. He shows on the AQHA circuit, but we are hoping to put a little "color in his corral" soon. ☺

From Marcia Keene *****

– " The 4th Annual Stallion Showcase & Horse Sale was held at the Mission Park Arena on Saturday April 26th. It was a fun event & successful as well. All breeds were welcome & many exhibitors & spectators attended. I showed JT Broadway Rajah, my black tobiano Paint gelding as a demo horse in several fun play day classes, stock type halter and barrel racing at a trot! Two clinics were held; horse photography & trailer loading as well as breed demos. The really fun event was the liberty class where a horse was judged on it's action & ability to show off. Rajah really had fun in this! There were several professional photographers & vendors there, too.

P.S. Shannon said she saw Marcia on the TV news at this event!

Our thoughts & prayers go out to Darlene & Beplate
on the recent passing of their daughter, Jozette.
