THE RULES...

- 1) MUST have sign-up sheet with payment turned in before points will count (postmark determines date of sign up). **NO POINTS ARE RETROACTIVE!!!**
- 2) Must show to at least four (4) judges to qualify. Points will accrue on the horse for the open divisions and on the horse/rider combo for youth, novice, and amateur divisions. In the APHA Show Division, points accumulate from showing at an APHA approved show. For the Open Show / Futurity division, points accumulate at non-Breed shows or open futurities (classes that are eligible for other breed association points are not eligible). Points accumulate until 10-31-24.
- 3) Must be a paid and current member of INPHC prior to points accumulating.
- 4) Applicant must attempt to help (or find someone) to work at any INPHC sponsored show for a minimum of 4 hours. Or in lieu of helping at the show, solicit a total of \$100 sponsorships (in any individual amount) to offset the costs of hiring outside help.
- 5) For the Open Show / Futurity division, points will only be counted on those classes where there is documentation from APHA (if enrolled in PAC) or that is signed by the show secretary on the class, your placing, and the number of entries in the class.
- 6) **POINTS:** will be accumulated based on the chart below (based on participation). Exhibitor must provide a print-out from APHA or a print-out from each show secretary to verify placings & number in class. Grand Champion Halter will receive 2 more points than their class placing and Reserve will receive 1 more point (eg: if you place 1st in a class of 3, you get 4 points – a Grand is then worth 6 points). **In addition to** your APHA print out, the attached point sheet can be used to supplement and make the points calculation easier on the pointskeeper.
